The Light of Easter

"In him was life, and the life was the light of all people. The light shines in the darkness, and the darkness did not overtake it."

John 1:4-5

Jesus is the Light of the world. This is something that we often say around Christmas time, however it is just as fitting at Easter. For God sent His Son into a world full of darkness as a light. What we celebrate at Easter is that although Jesus submitted himself to death on a cross for the sins of the world, the darkness of death did not overtake the light of Christ. Easter celebrates his literal resurrection from the dead, and His resurrection gives us hope of new life in every area of our lives that have been overtaken by death and darkness.

Hallelujah!

This spring, what areas of your life do you feel that all hope has died, that life has been squeezed away, that darkness fills that which could have light? We at the Free Methodist Church encourage you to seek Christ's resurrection power in those areas through prayer and a bold step of faith. Would you consider reaching out to one of the pastors to ask for prayer? We would love to come alongside you in your hopes and fears, and to partner with you in seeking God's will for your life. May the resurrected Christ be with you this Easter.

Pastor Jake

*Yours Sincerely,
Jenny Yznaga*
