## Thank You, Miss Emily!

Miss Emily has been teaching one of our 2 year old classes for this past year. She has done a great job, and we are grateful for her hard work. She will be starting a new job in the summer and we are sad to see her go. We wish her all the best in what's to come!

Dear Families,

As we head into summer, I wanted to offer some encouragement to you. These have not been an easy few years, especially for families. Isolation, zoom school, masks, divisions in family, mental health crises, marriage problems, inflation, and a deepened busy-ness have all led to parents carrying a lot of burdens. I am here to tell you a few things:

- We are proud of you and how you are trying to hold so much together.
- Take time to breath each day. Notice the beauty around you.
- Connect with others, especially those who are positive.
- Seek God through spiritual practices.
- Remember you can't do it all.
- Play with your kids.

I want you to pay particular attention to that last one. PLAY! Your children have not idea (yet) how hard being an adult is. So, enter into their world and just let yourself be. Some of my happiest memories was when our daughter was young and we would do crafts, run at the park, ride bikes, go swimming, and just lay on the grass looking up at the clouds.

We hope you have a fantastic summer. Enjoy this time when your kids are little, even when the days get long, because seeing you happy helps them know their world is a secure, good place.

We are here for you!

Peace of Christ,  
Pastor Colleen

*Yours Sincerely,  
Jenny Yznaga*
